Thank you for your support!

Last October,

The Art Fund Association's charitable arm, "Art Funds Give Back," sponsored a fundraiser at the De Buck Gallery in Chelsea to benefit CCS.

The proceeds of the Silent Art Auction, along with a sizeable grant from "Art Funds Give Back," helped CCS provide iPads and game consoles to kids in and around Manhattan with pediatric cancer.

Silent Art Auction '13

Sincerest Thanks
A Note from Tommy

I have always been impressed by the generosity of our supporters. Throughout the years, you have donated your hard-earned dollars, valued property, and time to children fighting pediatric cancer.

The Annual Silent Art Auction, held in October of 2013, was another example of your willingness to give.

A big thank you to everyone who volunteered their time, especially the directors of the Art Fund Association. The auction could not have been a success without you.

Thank you to everyone who donated. I was delighted by the variety and quality of the donations.

Thank you to all the bidders and donors. Because of everyone's generosity, we raised more money than we could have hoped for.

The proceeds have been, and will continue to be, delivered to deserving children.

All of the kids were amazed and grateful for your gifts.
